Dear Bro Phelps,

I am requested by some of the leading men in the Third Free Pres. Chh. to write to you to know if there is any probability of your accepting a call as Pastor, should they send you one. Mr Johnson, of the Evangelist, was their late pastor. There are some substantial young men, in good business, and of undoubted piety, in this Chh.

They gave Mr Johnson \$1400 but it was not enough. They will offer you \$1800 without doubt, I probably they could not well pay more.

Will you let me know soon?

You see the Ex. Com. have complied with
the request made by the Society at the
last annual meeting to have the meeting
fortnightly the previous week. I hope you
will be here I intended to plan with me
your views about the arrangement of business
&c &c

Yours very affly
